

TWO ADMISSION TRACKS

VIA A HIGHLY SELECTIVE NATIONAL EXAMINATION

Admission as a normalien student, via a highly selective national examination.

The competition is open to:

- > French and EU students, funded by the State
- > Non-EU students, scholarship funded

Two recruitment levels and two highly competitive national examinations:

First year at *ENS Rennes*: after a two year post-baccalauréat preparatory program called "*classes préparatoires*".

Third year at *ENS Rennes*: after the first year of a Master's Degree or for holders of a degree delivered by a top business or engineering school.

VIA A JURY ADMISSION

**Admission as
a degree seeking student at Master's or PhD levels
or an international student
or a visiting non-degree student or exchange student**

Recruitment is based on the quality of the application.

If students meet certain required conditions, they can be awarded the *ENS Rennes* diploma or Magistère Degree.
